MEMORANDUM FOR RECORD:

25X1A9A

25X1A9A  
1. [ ] today reported that recent experiences of [ ] indicate that activities which are subject of C.I.G. Directive No. 11 may become snarled up unless some method of coordination is produced quickly. He also reported that the Information Branch is ready to make a fast report and frame an N.I.A. Directive. Therefore, it was agreed that his Branch would expedite action under Planning Directive No. 44.

2. [ ] experience also shows that the problem under Planning Directive No. 43 is of lower level and of lower security classification than that of Planning Directive No. 44. No urgency attaches to the problem under Planning Directive No. 43. Therefore, the action under Planning Directive No. 44 will be expedited independently of action under Planning Directive No. 43.
